

*It is the mission of the Laconia School District to ensure the potential for success with every student, every day, in every way.*

This Student-Parent-Educator Compact offered to create a partnership among the three most important people in the Educational Process— student, parents and teachers. We hope that it is clear that success is best achieved by each party doing his/her best to support this Educational Process.

Questions? Comments? Let us know.

I understand that the signing of this agreement indicates that I am willing to meet the responsibilities of this partnership to the best of my ability.

The Laconia School District is committed to teaching students how to read and write proficiently. This year, we will continue to seek best practices as our means for supporting student literacy skill development. We have moved to having Student Achievement Teams in each of our elementary schools. This team will be responsible for guiding reading programs in our schools. We are also using a multi-level model for intervention: Response to Intervention to support our learners.

If you would like to know more about the Laconia School District's Commitment to supporting every Student-Educator-Parent, stop by your child's school office and the SAU Office on Harvard Street. We would also encourage you to visit us on the World Wide Web at [www.laconiaschools.org](http://www.laconiaschools.org)

District

## 2021-2022 School Compact

### Students, Staff, Parents Working Together

**Laconia Elementary  
Schools**

Elm Street School  
Pleasant Street School  
Woodland Heights School

**AS A PARENT, I WILL TRY MY BEST TO:**

- Set aside the time to work with my child
- Teach children to be responsible for their education
- Make sure children are in school on time
- Show the importance of Literacy by spending time with my child reading
- Help to balance how much time my child watches TV and plays video games with activities that promote sharing and involvement with others
- Talk to my child's teacher about how to best support my child's learning process

**AS A STUDENT, I WILL TRY MY BEST TO:**

- Work very hard
- Ask for help when I need it
- Be a good listener
- Be friendly with everyone
- Keep my hands to myself
- Keep my papers organized
- Get my assignments in on time

*Note: This section was generated by students.*

**AS AN EDUCATOR, I WILL TRY MY BEST TO:**

- Be a good role model by showing respect to students and parents
- Provide a safe and positive learning environment
- Establish high expectations to help all my students learn and grow
- Communicate student progress to parents
- Be available to parents to discuss their child's progress and to offer ideas for them to support their child's learning

The School Principal is given the responsibility of supporting all three groups in getting the most out of this educational process. We hope everyone will seek out the Principal in making sure they get the support they need.
