To Staff, Parents/Guardians, and Students:

This notice serves to fulfill the annual notification requirements in accordance with section 763.93 of the **Asbestos Emergency Response Act (AHERA)**. AHERA requires that all school buildings be visually inspected by accredited inspectors to identify asbestos-containing building materials (ACBM) that may be present in the school environment. As required under AHERA Laconia High School, Laconia Middle School, Woodland Heights Elementary School, Elm street Elementary School, and Pleasant Street Elementary School and the School Administrative unit office. The AMP (Asbestos Management Plan) is available in the during normal school hours excluding holiday or school closings, Monday through Friday.

Recent projects 2019-20

- Laconia High School café tiling removal project
- Laconia High School Kitchen storage areas tiling and removal
- Laconia High School pipe fitting removal

Periodic surveillance of known of known asbestos in all school buildings is preformed every six months by a designated person to assess the condition of the ACBM. Six month assessments results are maintained and are also available for review in the AMP.
