

## **BOARD MEMBERSHIP**

Citizens seeking election to the Board should do so with full knowledge and awareness of the extensive personal investment in time, effort, and dedication expected of all board members. Board members oversee the operations of public schools as mandated by New Hampshire statute. Any citizen who wishes to serve on the Board should intend to serve a full term of office, barring unexpected circumstances.

The Revised Charter of the City of Laconia, 1995, Article IX, Board of Education, Section 9:01, states that Board members may serve a period for three (3) years until their respective term expires or until their successors are elected.
