

District Goal 1: Portrait of a Graduate

Given the importance of preparing children to be college, career, community, and life ready in the 21st Century educators in the Laconia School District will develop a Portrait of a Graduate and a strategic plan, curriculum, literacy based, assessment tools, and instructional practices aligned to it. By the end of the 2019-20 school year, we will have the Portrait developed. By the end of the 2020-21 school year, we will have an assessment plan to assess the Portrait. By the end of the 2021-22 school year, we will have instructional practices to teach the attributes in the Portrait success will be measured by having PrK-12 District curriculum based on the Portrait that is assessed and attributes that are explicitly taught across all content areas and grade levels.
