

HEALTH EDUCATION AND EXEMPTION FROM INSTRUCTION

Consistent with Department of Education requirements, health and physical education, including instruction about parts of the body, reproduction, and related topics, will be included in the instructional program.

Instruction must be appropriate to grade level, course of study, and development of students and must occur in a systematic manner. The Superintendent will require that faculty members who presents this instruction receive continuing in-service training, which includes appropriate strategies and techniques.

Parents/guardians, will have the right to inspect and review health and physical instruction materials which will be made reasonably accessible to parents/guardians and other to the extent practicable. Parents /guardians who wish to review or inspection health and physical education materials may arrange a meeting with the Principal to review the materials.

Opt-Out Procedure and Form

Parents/guardians, or students over eighteen years of age, who do not want their child to participate in a particular unit of health or sex education for religious reasons or religious objections or other reasons, are allowed to have their child opt-out of such instruction.

Parents/guardians, who wish to have their child opt-out of such instruction are required to complete the district opt-out form and state the particular unit of curriculum in which the student is not to participate. Opt-Out Forms are available from either the health or physical education teacher or the Principal. Opt-out requests must be submitted annually and are valid only for the school year in which they are submitted.

Any student who is exempted by request of the parent/guardian under this policy may be given an alternative assignment sufficient to meet state requirements for health education. The alternative assignment will be provided by the health or physical education teacher in conjunction with the Principal.
