

## **USE OF AUTOMATED EXTERNAL DEFIBRILLATOR(S)**

The Laconia School District has acquired Automatic External Defibrillators (AED) for use in emergency situations. The use/administration/maintenance of the AED is subject to the following conditions:

### **1. Location of the AED(s)**

The principal, other working administrators and the school nurse shall select and approve the location(s) for the AED(s).

### **2. Training**

According to RSA 153-A:30, every individual expected to use the automated external defibrillator shall receive training in cardiopulmonary resuscitation and automated external defibrillator use.

### **3. Maintenance**

Each school building shall have a person who will be responsible for AED maintenance. Maintenance shall be done according to the AED manufacturer's specifications. The responsible person will maintain a record of all maintenance, which has been performed on the AED(s).

### **4. Registration of AED(s)**

In accordance with RSA 153-A:33, the building administrator or his/her designee, shall register the AED(s) with the New Hampshire Department of Safety.

### **5. Incident Reporting**

The building administrator or his/her designee shall report all instances of AED use with the New Hampshire Department of Safety.

### **6. Liability Limited**

The Laconia School District and persons administering the AED(s) shall enjoy the limitations of liability as specified in RSA 153:A-31, as well as other sources of law.
