Good Evening, Laconia School District Staff and Families.

Beginning on Tuesday, March 17<sup>th</sup>, **all** students in Laconia will be able to pick up meals during the three-week period of remote learning. This is possible because of a collaborative effort of the Laconia School District, First Student Bus Company, Got Lunch!, Cereal Heroes, and the Santa Fund.

This "Grab-and-Go" system will follow a very simple process. Students can Grab and Go at a bus or school stop at the time designated on the attached document and pick up their meals from a bus that will provide this service Monday through Friday. You can Grab and Go at any bus stop or any school in the district. If you miss a bus stop or if you choose to pick-up meals at Woodland Heights, be sure to get their between 1:00 and 2:00pm.

On Monday through Thursday, the school district will provide a breakfast and lunch. On Fridays, the district will do the same and Got Lunch! will provide additional meals for the weekend as well. We are very appreciative of the amazing community support our students receive from these outstanding community partners.

Thank you for your attention and support of this effort to provide a meaningful service to our students and families during this time of non-traditional education in our community. This information will also be posted on the district's website and on social media platforms.

If you have any questions, call the SAU office at 524-5710.

Sincerely,

Steve Tucker  
Superintendent  
Laconia School District
