

Parent Permission for 21st CCLC Survey

NH State Policy governing the administration of non-academic surveys or questionnaires (RSA 186:11, IX-d) now requires written consent of a parent or legal guardian, unless the student is an adult or an emancipated minor, before a student is allowed to participate.

Laconia School District receives grant funding from the 21st Century Community Learning Centers to administer programming through the Office of Extended Learning. These programs include: Expanded Learning Opportunities (ELOs), Archery, Freedom Found and Student Leadership Team at Laconia High School, REAL Initiative programs and clubs at Laconia Middle School, Project EXTRA and PIQUES at all three elementary schools, and summer programming at Elm Street and Pleasant Street, Laconia High and Laconia Middle schools. The 21st CCLC grant requires an annual student survey for continued funding.

If your child(ren) participate in ANY of these programs, we will be seeking your written permission to administer the survey. We appreciate your cooperation with this process.

The current survey for students in grades 3-12 can be viewed on the district website at <http://laconiaschools.weebly.com/>, or upon request.

1. Name of Child(ren) (first and last)

2. School that child(ren) attend (please circle)

- Elm Street School
- Pleasant Street School
