

LACONIA SCHOOL DISTRICT
School Administrative Unit Thirty

"Ensuring success with every student, every day, in every way"

Steve Tucker, Superintendent of Schools
Amy N. Hinds, Assistant Superintendent of Schools **Christine Blouin, Business Administrator**

April 6, 2020

Dear Laconia School District Staff and Families:

As we enter into the third week of remote learning, we have revised our teaching and learning structure based on some guidelines and feedback we have received. Please see the attached document that includes information about daily student commitment time frames and Wednesday flex days that start on April 8th.

Our principals will be sending out information about 3rd quarter grades later this week.

One more day of schools being closed is one day closer to our schools opening.

Thank you for your continued support for our school community.

Sincerely,

Steve Tucker
Superintendent
Laconia School District
