## School Administrative Unit Thirty

*"Ensuring success with every student, every day, in every way"*

---

**Steve Tucker, Superintendent of Schools**

**Amy N. Hinds, Assistant Superintendent of Schools**

**Christine Blouin, Business Administrator**

October 18, 2021

Good Day, Laconia School District Staff and Families.

I hope that this communication finds you well as we enter into the second half of the month of October. I continue to be proud of the efforts of our staff and students. As we begin the week, I want to share a few updates with you:

1. Our [daily screening tool](#) continues to be an important component of our stay in school effort. It includes a series of health and travel questions to help identify potential Covid-19 risks. The travel information has been updated to align with the most recent public health guidelines.
2. All five of our schools have sent out communication about **parent-teacher conferences on November 2<sup>nd</sup>**. There is no school for students on this day, but we encourage students to attend their conferences with their parent(s) or guardian(s). This is a wonderful opportunity for families to connect with teachers. Parents, please be sure to sign up for a conference with your child(ren)'s teacher(s).
3. **Flu vaccines** will be offered to students at Laconia Middle School and Laconia High School on November 3<sup>rd</sup>. Students 12 years old and older can also receive a **Covid-19 vaccine** on this date at these schools. Both vaccines require the consent of a parent or guardian. More information about these vaccine opportunities is forthcoming from LMS and LHS. Our collaboration with the Winnepesaukee Regional Public Health Network and the efforts of our nurses made this opportunity possible.
4. This year, we will use the same inclement weather plan as we used last year. Please [click on this hyperlink](#) to see the plan.

I hope that you all have a fantastic week.

Sincerely,

Steve Tucker
